The Tree of Our Life

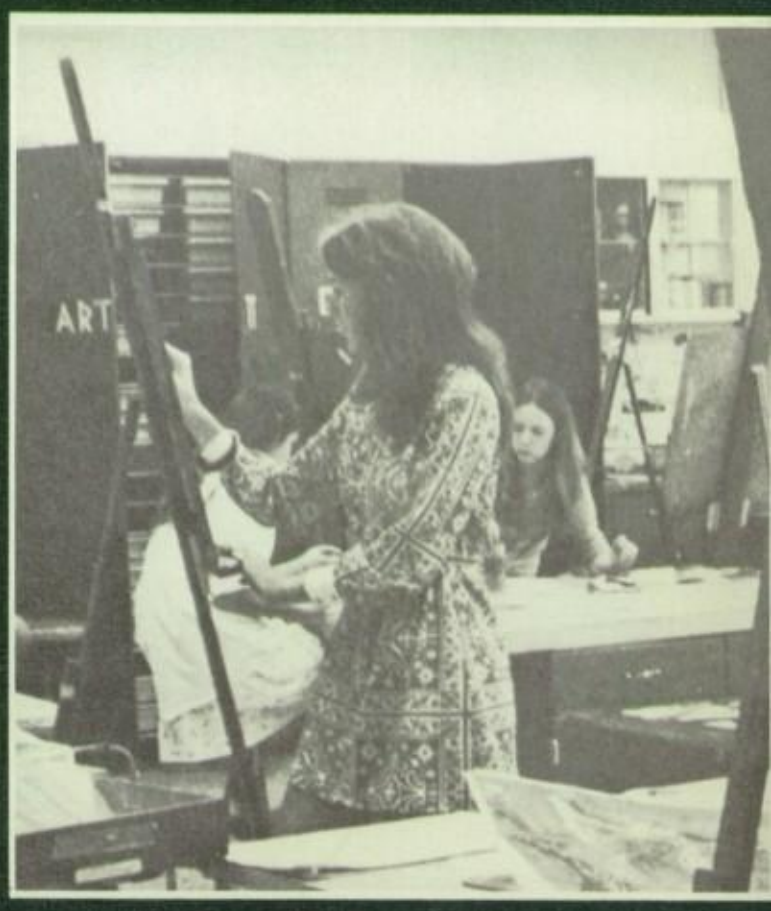
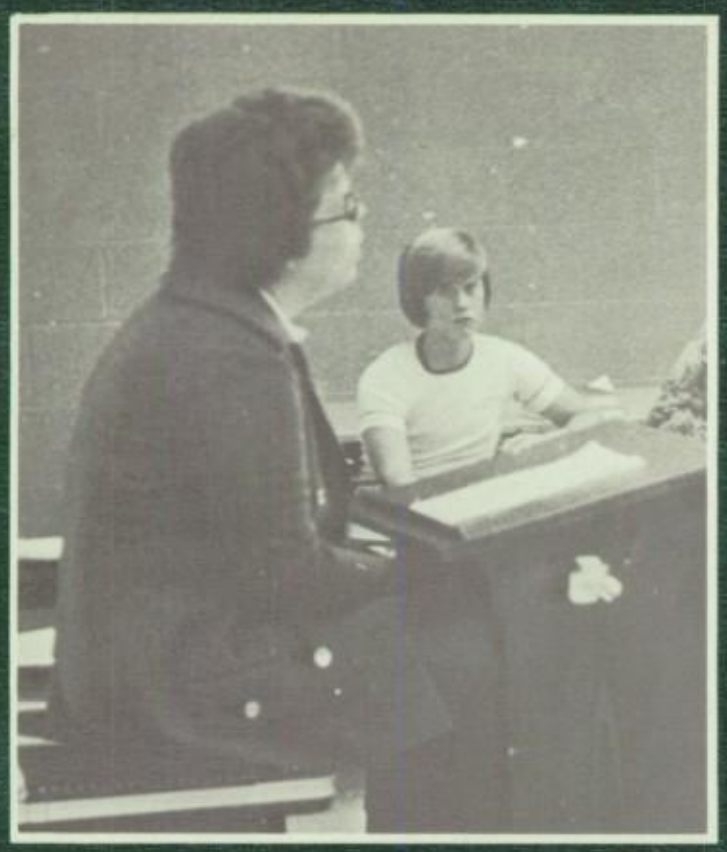
There is a tree in our life
That we all must climb,
But only as high as we will it.
The tree of our life is a leaf-filled tree,
But only as full as we fill it.

For the tree of our life is bounded by love,
And its branches are the glowing beams;
Reflecting the strength from the fullness
Of our hearts' desires and dreams.

The tree of our life is a strong one;
As sturdy as we let it be,
As clear and as open, as lovely and high,
As the eyes of our soul can see.

There is a tree in our life





that we all must climb,

But only as high as we will it.

the tree of our life is a leaf-filled tree,

Dedication

All people possess some assets and fine qualities; however, few people possess as many as one particular member of our faculty.

A person with . . .

. . . An unselfish devotion to Ashbrook's students and faculty

. . . A determination to assist in creating an organized school

. . . A sense of humor that enables him to find some good in all his tasks

. . . Countless hours working for and with the students of Ashbrook to make them better citizens

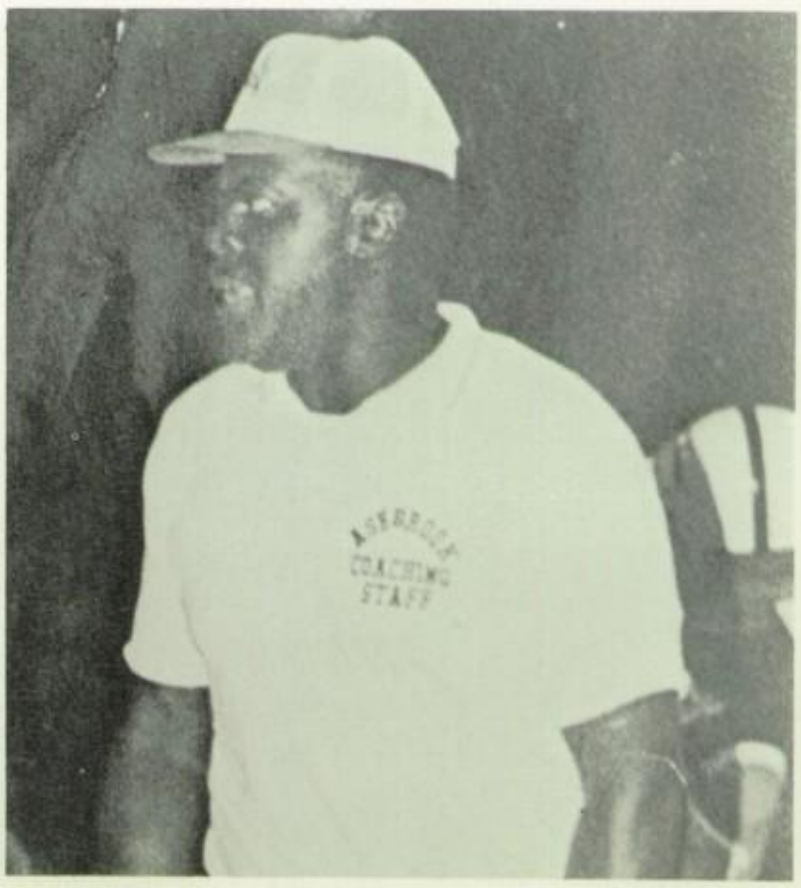
. . . A willingness to accept the responsibilities even though they are not the most desirable

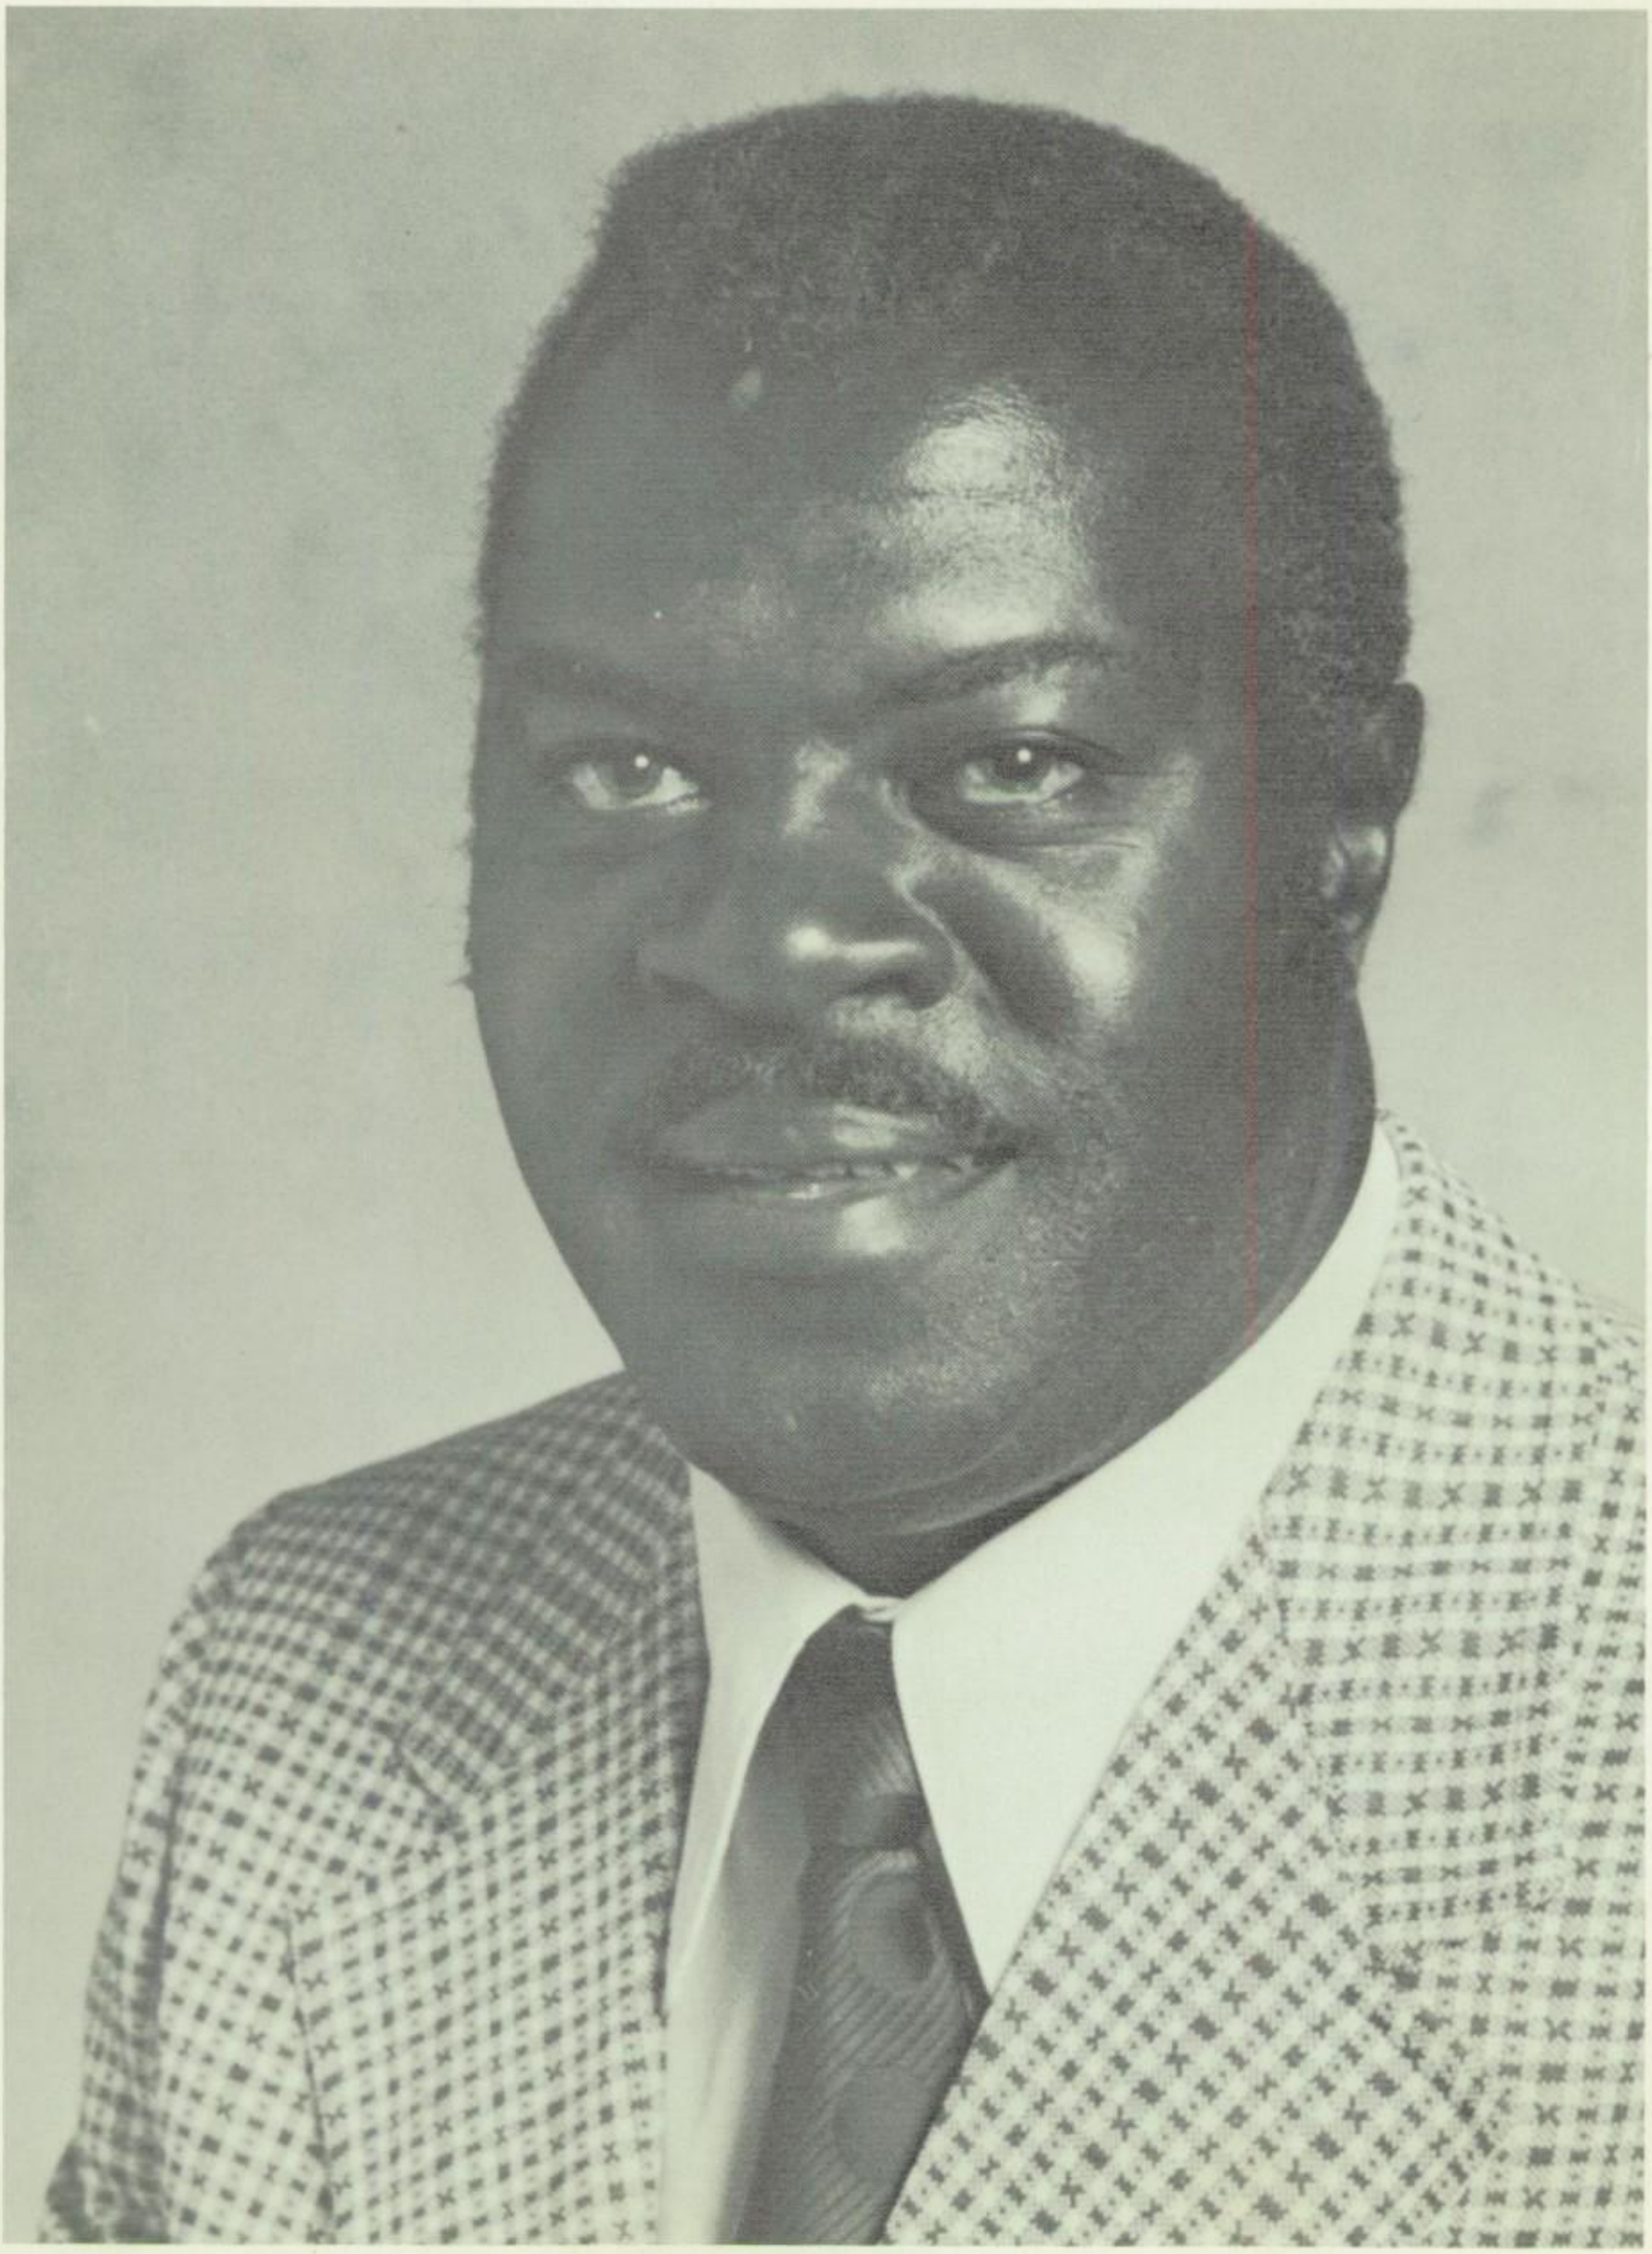
. . . An awareness that permits him to view all sides of an issue before passing judgment

. . . Broad shoulders that enable him to carry everybody's burdens

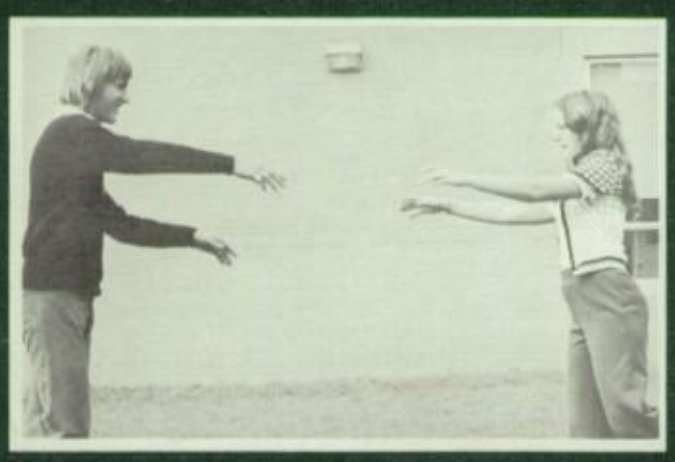
. . . The steam and stamina to keep the Waves Rolling!

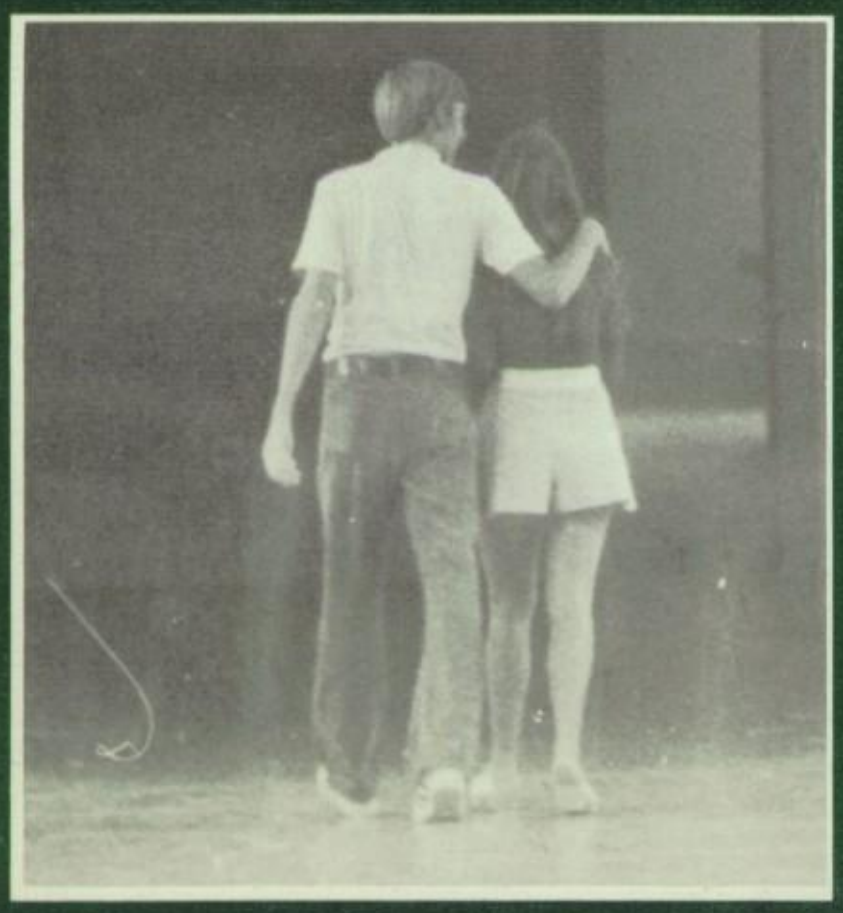
We, the Annual Staff of Ashbrook High School and the students we represent, dedicate the 1974 ***Leaves of Green*** *to Mr. Robert O. Mason, Sr.*

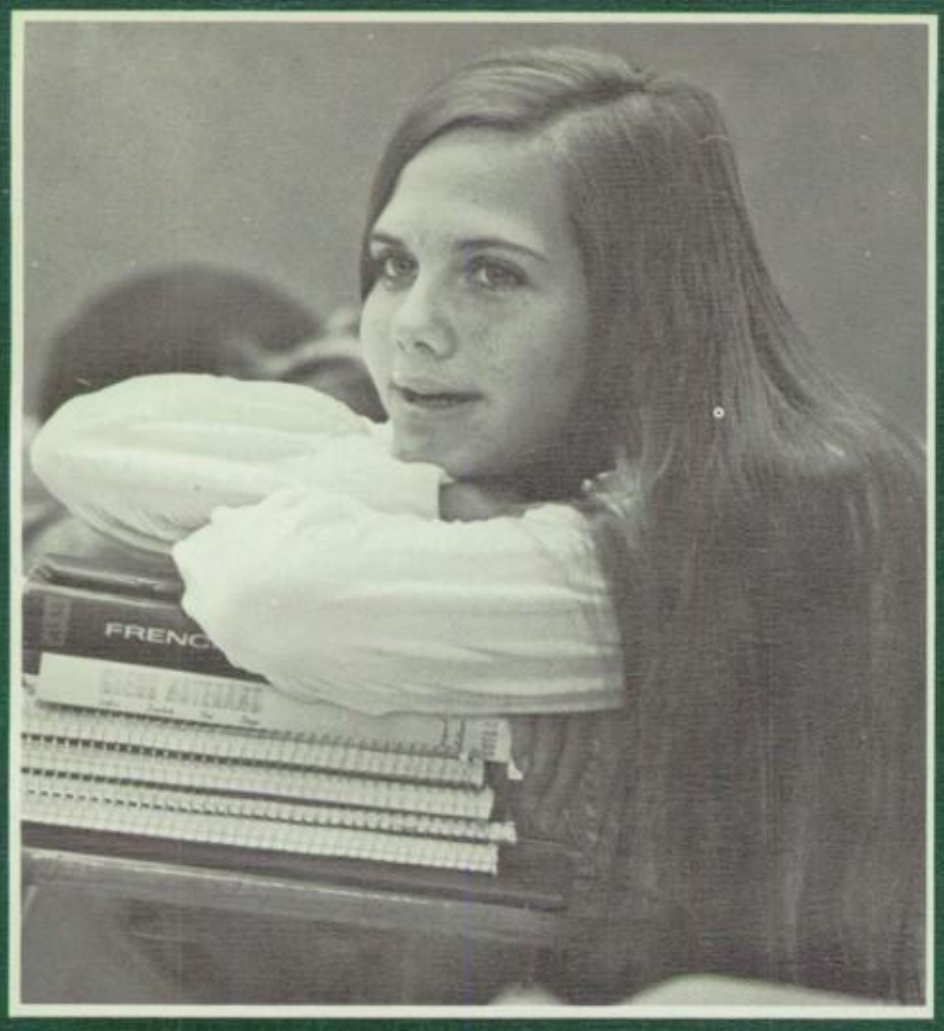


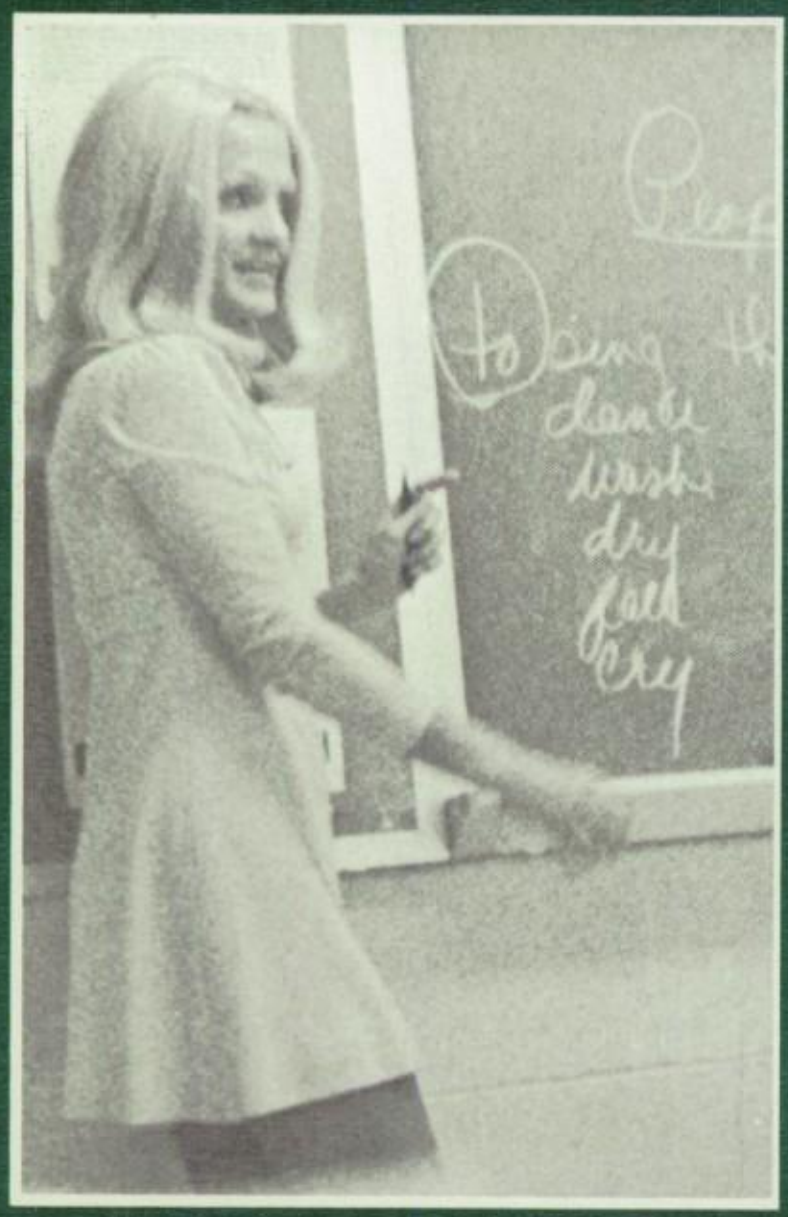


For the tree of our life is bounded by love,





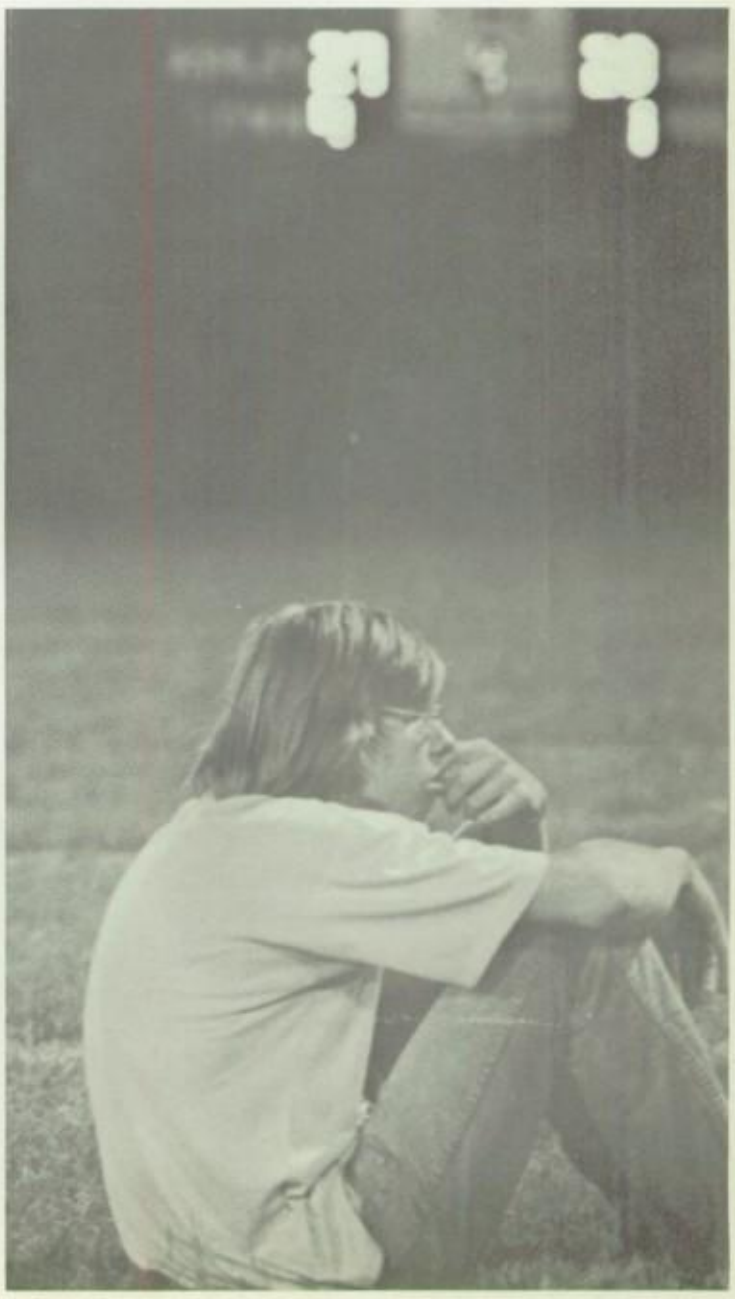




And its branches are the glowing beams;

Reflecting the strength from the fullness

Of our hearts' desires and dreams.



The tree of our life is a strong one;

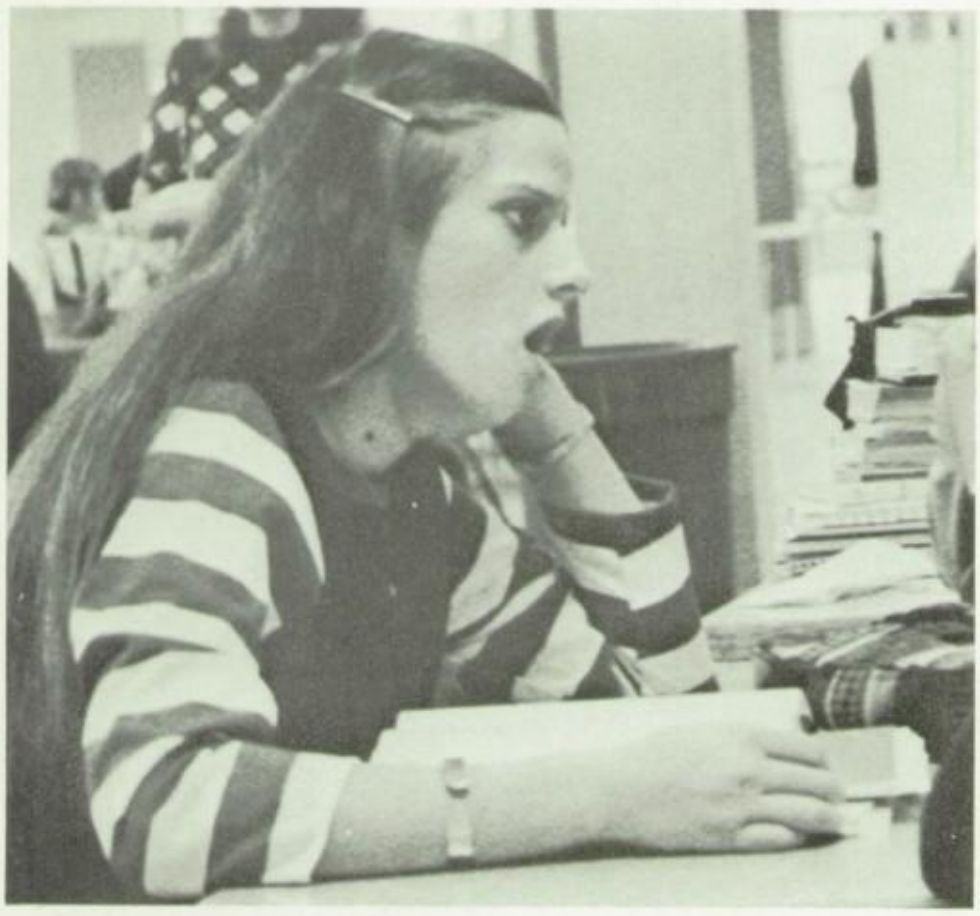
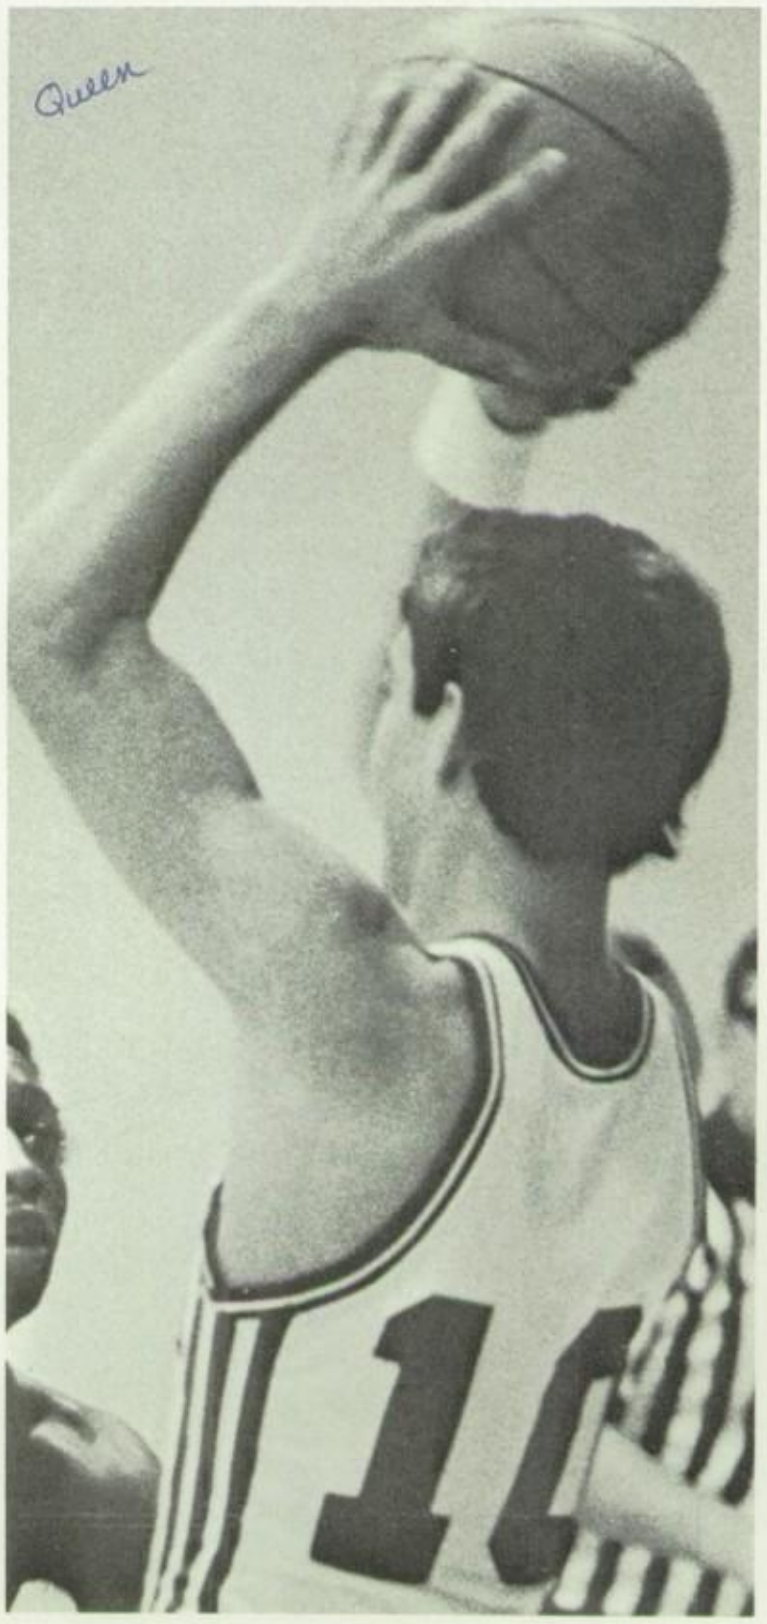
As sturdy as we let it be,

As clear and as open, as lovely and high,





As the eyes of our soul can see!

Norma,

So how have ya liked your first year at the "brook"? It's been a long year but I have really enjoyed it. Just think next year you'll be a junior and I'll be a senior. I can't wait! We've known each other a long time and I have really had some great times with you. Don't ever forget Caswell, b-ball, Hardees, my birthday party, facsmile night, the sock hop etc etc...! I'll never forget these and other various times where we have thoroughly enjoyed ourselves. I mean "What can I say?" Our singing group with Survivor - I'm sure (Patty, Judy, Lisa, me, you) and the songs we made popular will live forever. (I'm proud to be an agle [sp?] from Piskgee. Remember the WAKE FOREST FOOTBALL GAME and all the "checking it out" we did. REMEMBER RIDGE CREST and the Keatons? I could go on forever. Norma you're a great friend and a hard worker. You're also very sincere and willing to help others. I know that you're going to be one of my best members on the Heart Board and I'm going to need your support. You be sweet and have a good summer. I'll see you around this summer at church, and I might even bring DAVID. God bless.

Love,

Roll! Greenwave! Roll—

The expression dearest to all the hearts at Ashbrook High School as we participated in all phases of campus life.

Autumn brought football fever, chilly weather, and shakey moments.

Homecoming brought with it increased tension and excitement as Kans for Kids typified Student Co-operation.

As the last football was kicked between the uprights, the first whistle blew in the gymnasium.

Soon Ashbrook had ventured through a vibrating basketball schedule filled with pride, thrills, and a few heartbreaks.

Various student organizations also held annual banquets which enabled parents, students, and advisors to have a better understanding of life at Ashbrook.

The fragrance of spring ushered in the Junior-Senior, baseball season, and the Senior Class play, and finally the Zenith------

Do all the good you can,

By all the means you can,

In all the ways you can,

In all the places you can,

At all the times you can,

To all the people you can,

As long as ever you can.

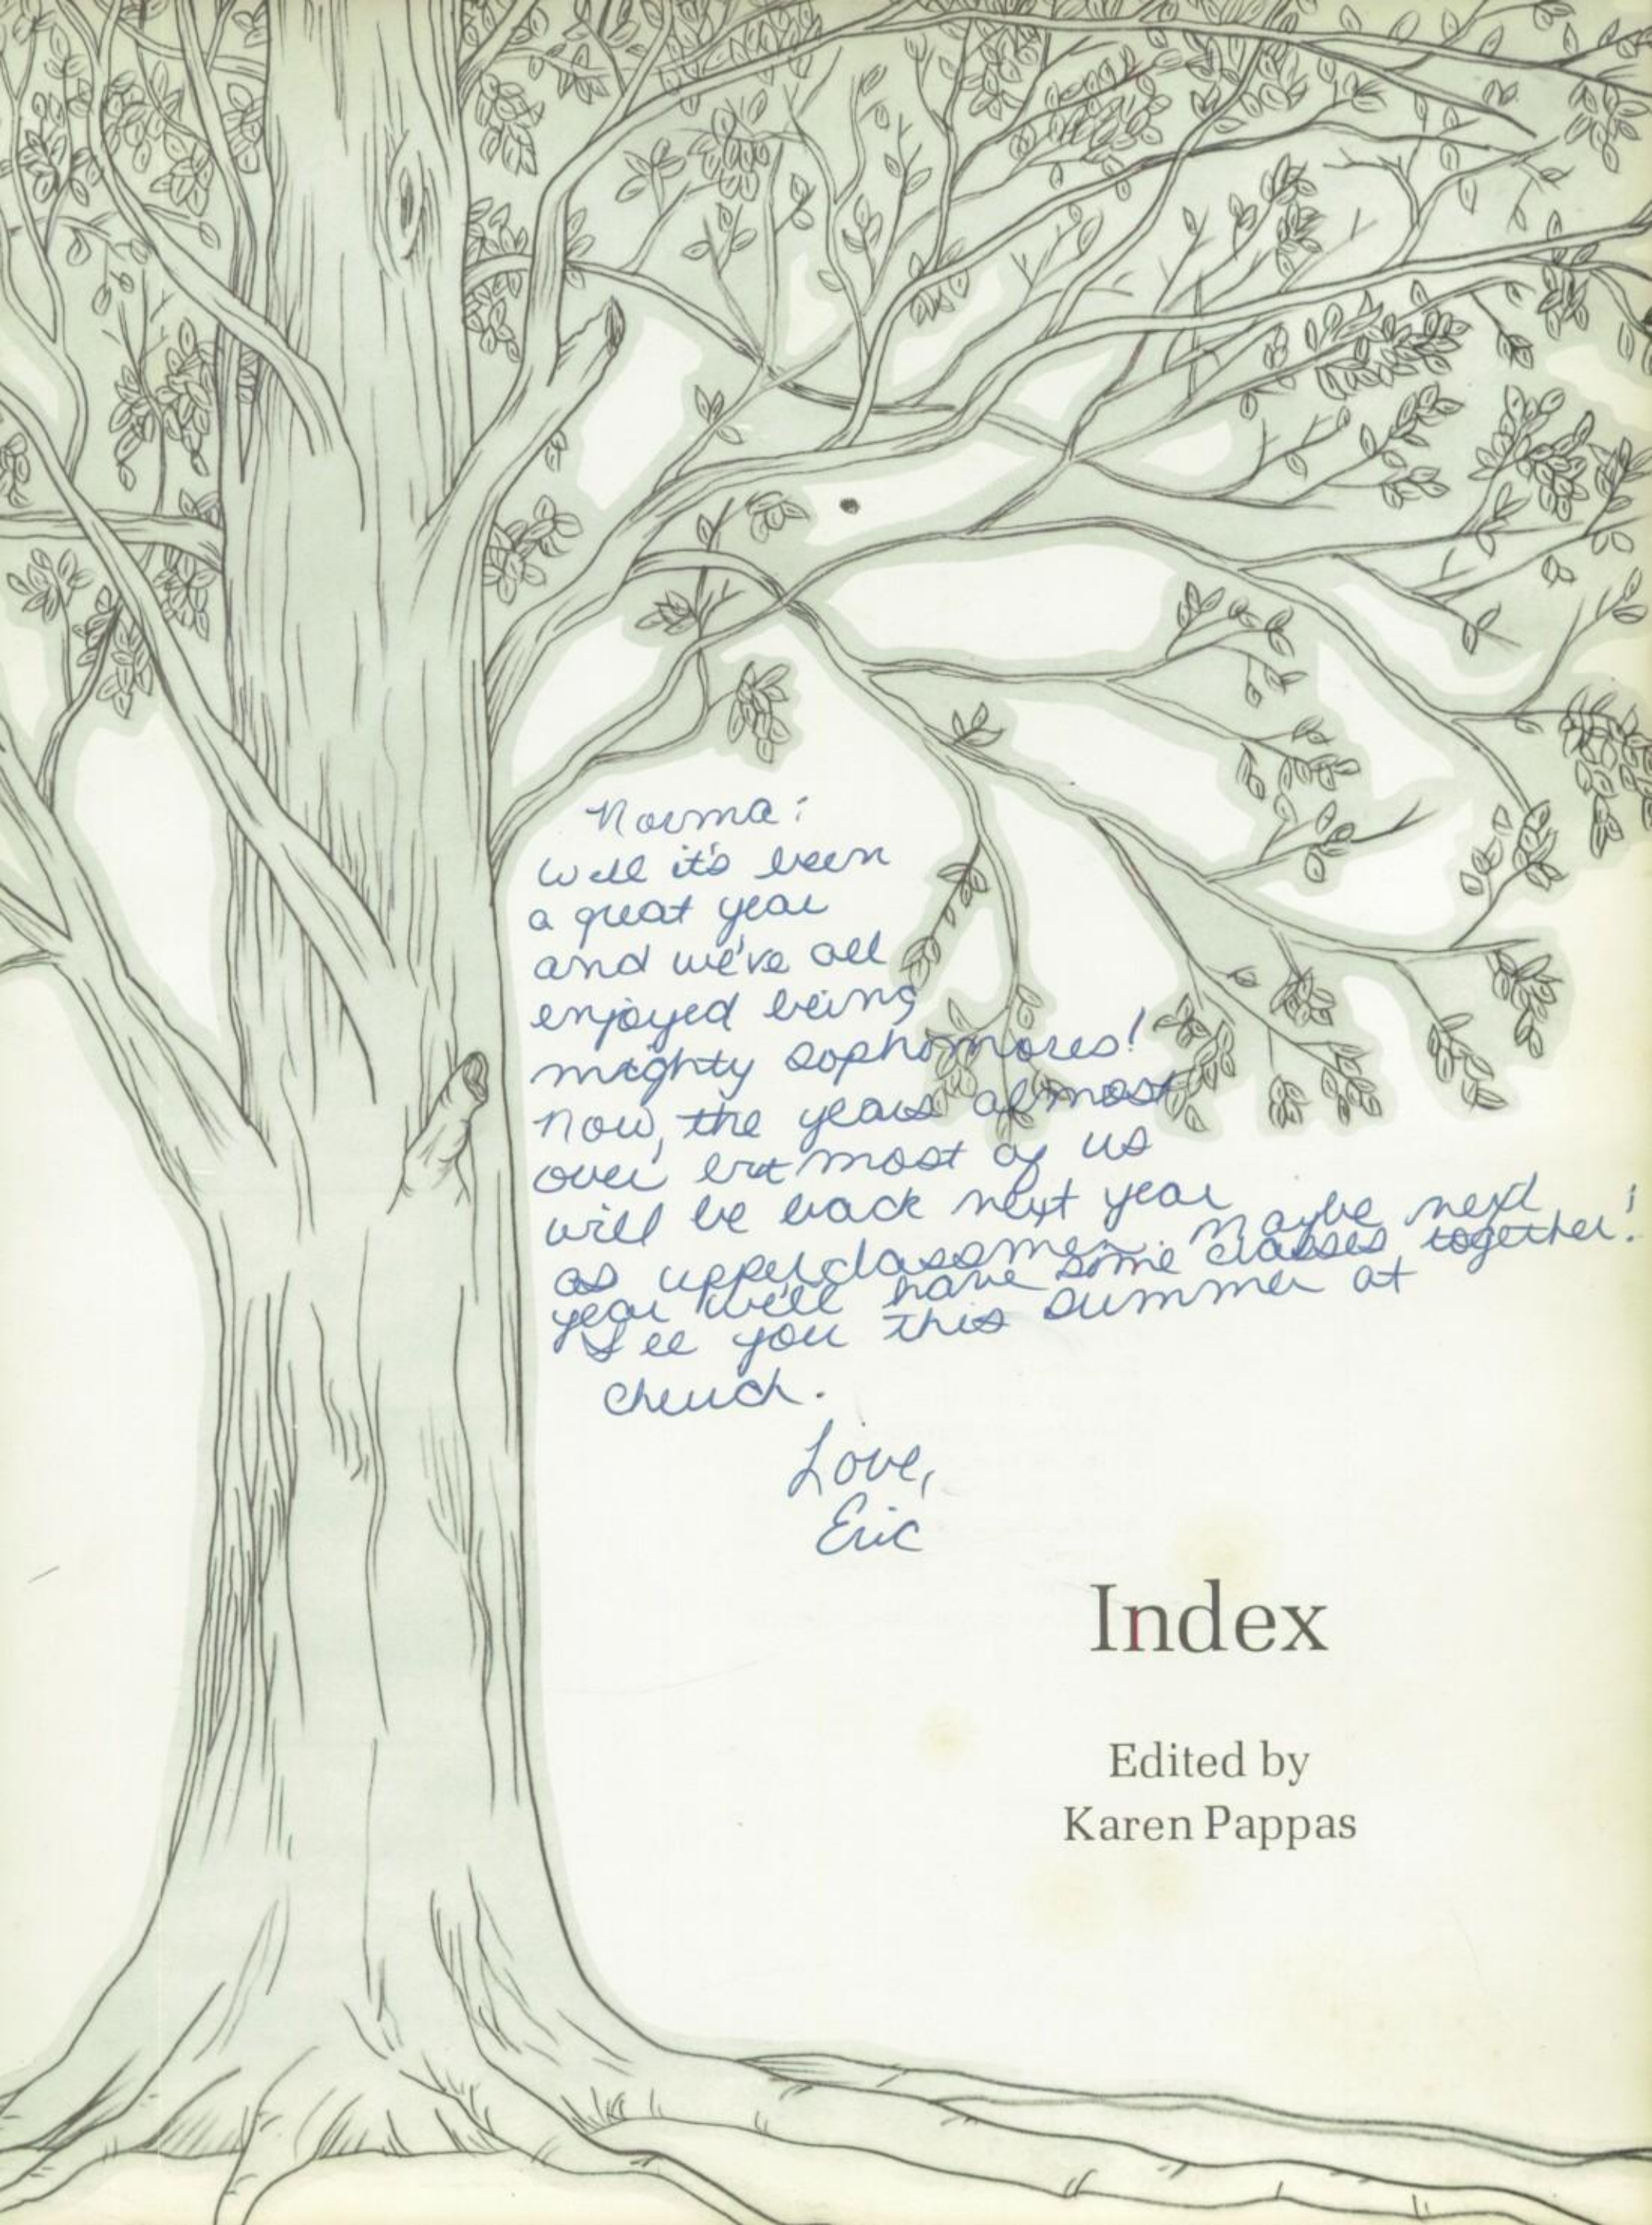
POWER

Dear Dad,
Hey, Duel
another year is
up! And next year!
we'll be Big Bs!
Year! Remember all
the Great times
St. Mark's parties, B-day
parties, and all the
other times. Duel, now
am at your house
raining- Stay and see
on roof- Snow!
Keep cool (Love)
summer. Love ya,
Class of '76! Brother
No. 1!!

Hopes
Of taking the good
And making it better.
Of seeing the best in everything.
And being the best there is
Of something to look forward to.
Tomorrow.
Finding yourself
And knowing what to do
With who you really are.
And finding love
And having dreams.
Tomorrow is doing things
Your way
And choosing your own rewards.



Norma:
Well it's been
a great year
and we've all
enjoyed being
mighty sophomores!
Now, the years almost
over, but most of us
will be back next year
as upperclassmen. Maybe next
year we'll have some classes together!
See you this summer at
church.

Love,
Eric

DECA 12.

I would rather be ashes than dust.
I would rather my spark should burn out in a brilliant blaze then it should be stifled in dry-rot.
I would rather be a superb meteor, every atom of me in a magnificent glow, than a sleepy and permanent planet. Man's chief purpose is to LIVE, not to exist.
I shall not waste my days trying to prolong them. I shall use my time.

Jack London

Editor's Note

Many hours of tedious work have gone into the preparation of the 1974 **Leaves of Green**. *A person cannot visualize all the little jobs that have been done in order to make the yearbook a successful one — taking pictures, drawing lay-outs, typing names, cropping pictures, proofreading copy, correcting mistakes, and meeting the unexpected. I can truthfully say that all the time has not been wasted.*

With the help of this year's section editors, Page, Cindy, Shawn, Ann, Laura, Scott, and Karen, all the material came closer to being turned in on time this year than in any previous year. This accomplishment meant that we could get our annual back faster. These section editors could not have done their part without the help of their respective sections. Many thanks to Barbara, Pam, Ellerbe, Diane, Paula, Barbara, Lynne, Jimmy, Dinky, Vicki, Lyn, Ken, Billy, Ray, and Carol. Our photographers, Mark, Van, Mark, and Marty, did a great job; Amy Dickson, our Business Manager, and our advisors, Miss Miller and Mr. Harrington, were always there to help when they were needed.

My special thanks to Mr. Leon Lewis and Delmar for making it possible for us to publish what we feel is, a book like none other Ashbrook has seen, to Mr. and Mrs. Martin Luther Hancock, Jr. for the use of their home in taking Senior Superlative pictures, to Mr. Johnny Kanipe for taking Clubs and Organizations pictures, to Mr. Sellers and the photography class for their co-operation, and to Mr. Harold Lackey for taking class pictures. But most of all, I owe a great deal of thanks to the faculty and administration of Ashbrook for making it possible for us to have the time to do everything that needed to be done.

It in now with great pride, that we the 1974 **Leaves of Green** *staff, present to you the 1974 edition of the* **Leaves of Green.**
